Piddle-Pak® Sanitary Disposable Relief Container

NSN 8105-00-922-9469

The AVOX Systems Piddle-Pak®, P/N 800277-01 designed for private aircraft, provides passengers and aircrew members with a convenient, sanitary means of liquid waste disposal where regular lavatory facilities are not available.

Compact, polyvinyl chloride construction features a leakproof, airtight seal to assure safe containment of waste and odor until the Piddle-Pak can be discarded.

The Piddle-Pak is lightweight, sturdy, and easily stored. It is used by U.S. Armed Services aboard hospital planes, and by aircrew personnel.

Outstanding Features

- Strong polyvinyl chloride bag construction
- Airtight seal prevents waste or odor escape
- Compact, easy-to-store design
- 1 liter capacity
